

AOC

Ultimate 26" wide screen, unlimited video experience!

- Multiple inputs and integrated USB hub to expand your connectivity
- High glossy piano polishing glazed touch feeling
- Full HD (1080p) Support 1920x1200 High Resolution
- 10000:1 super high contrast ratio
- WCG technology Delivers 100% colour saturation

619Fh

LCD Monitor 619Fh

Features:

Piano Black Bezel

Bezel and base with high gloss piano black finish, elegant and appealing to the eye.

Multiple Connections

WCG technology for 100% colour saturation

Multi-Colour Menu Icons

The new colour OSD menu not only looks more graphically appealing, but is also more user-friendly than the typical OSD control today.

10000:1 High Contrast Ratio

DCR increases the contrast between black and white over 10000:1.

DCR is perfect for watching movie and video content.

HDMI Interfaces

HDMI (High Definition Multimedia Interface) transfers uncompressed digital audio and video for the highest image quality. Easily connect the monitor to other consumer electronics such as DVD players to enjoy multimedia content.

Ultra-Fast Response Time

3ms ultra-fast response time, displays moving images without blurring.

HDCP ready

High-Bandwidth Digital Content Protection allows you to watch digital content legally and displays high definition images without loss of quality.

5 Scene Selections to view different content

Standard, Text, Internet, Game & Movie, Sports.

16.7M Colours

FRC 8-bit panel can display 16.7 million colors; more vibrant than traditional 6-bit panels.

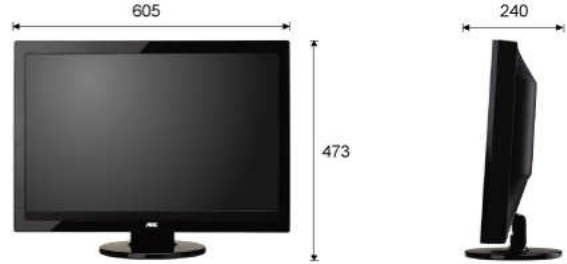

Dynamic Colour Boost

DCB offers 5 additional natural-colour adjustments to enrich picture vividness.

Windows Vista Premium Certification

Dimensions (mm):

Specifications:

Model Name	619Fh
