- Full HD Display

V27m

AOC

■ Features

Ultra Slim

Our 27" Verfino MFM is only 28mm making them leaders in ultra-slim MFM.

Absolute Precision with Full HD

The 16:9 Full HD screen displays high definition content at its native resolution, and reveals the finest details. View Full Screen HD movies without distortion or black bars.

DCR 60000 : 1

Ultra-High Dynamic Contrast Ratio (DCR) of 60000:1 shows greater depth and darker blacks.

HDMI & Speakers

Verfino is equipped with speakers and an HDMI input making it perfect to connect to multimedia players such as DVD, Games and Blu-Ray.

Low Power Consumption

Verfino MFM offer impressive energy savings. The V27m boasts a power-on consumption as low as 60W.

High Gloss with Translucent Clear Finish

The eye catching piano-black high gloss body combines with the glossy base and coloured speaker panel to create a cutting edge design.

Slim VESA Mountable

VESA compliant, Verfino can be hung on the wall. Verfino's super slim body makes the installation almost seamless with the wall.

Colourful MFM , Colourful Life

Young and fashionable colours are included with Verfino series. Each colour gives you a fresh new feeling. Just choose one to match your room, your clothes or even your mood!
