

PRESS RELEASE

AOC introduces new New Zealand distributor

Sydney, 5 February 2008 – AOC has won Ingram Micro New Zealand over as a new successful cooperation partner. With immediate effect, the distributor will add the innovative display products of AOC to his portfolio. Objective of this cooperation is to intensify the business and customer contacts as well as the acquisition of retail channel and SMB.

Ingram Micro is the world's largest technology distributor with a vast network of resources and infrastructure unrivaled in the IT supply chain management industry.

AOC is a registered trademark exclusively owned by TPV Group, currently the world's largest manufacturer of computer monitors and LCD screens. The product array features more than 100 different CRT and LCD devices. AOC has more than 300 sales professionals in over 40 countries worldwide. TPV Technology Limited is listed in Hong Kong and Singapore, with its headquarter in Hong Kong. For further details, please visit www.aoc.com and www.tpvtechnology.com.
